

Error DUA Exportación: No se ha encontrado un elemento obligatorio: ActiveBorderTransportMeans/identificationNumber

DUA de Exportación No enviado /CC515C/GoodsShipment/Consignment/ActiveBorderTransportMeans/identificationNumberNo se ha encontrado un elemento obligatorio.

Acceder al Manifiesto de Exportación.

The screenshot shows a software interface with a top toolbar containing icons for 'Actualizar', 'Ver', 'Propiedades', 'Restaurar', 'Ir a...', 'Ayuda', and 'Cerrar'. A dropdown menu is open from the 'Ir a...' button, listing options: 'Factura de Exportación', 'Manifiesto de Exportación' (highlighted with a red box), 'Valorar B-3', 'Detalle de Factura con Errores', 'DAE', and 'B3'. Below the toolbar is a table with columns 'Tipo', 'Estado', and 'Ultimo Error'. The first row contains the text 'DUA de Exportación', 'No enviado', and '/CC515C/GoodsShipment/Consignment/Acti'. The last part of the error message, 'berNo se ha encontrado un elen', is visible in the right margin.

Tipo	Estado	Ultimo Error
DUA de Exportación	No enviado	/CC515C/GoodsShipment/Consignment/Acti

Revisar el valor indicado en la cabecera como Identificador de medio de Transporte

The screenshot shows a form titled 'Transporte:'. It has two fields: 'País:' with the value 'ES' and a dropdown arrow, and 'Identif:' with an empty text box. The 'Identif:' field is highlighted with a red rectangular box.
